Variety of changes made with wood full of sensibility.  
 Wood which never goes out of style is an  
 element that matches every space.  
 It is the most fundamental yet the most wide-ranged item.  
 We invite you to the world of wood which always presents a new  
 interpretation of the familiar grain, color and texture.  
 A majestic wood now decorates your space.

A dramatic space highlighting the attractiveness of natural materials through a unique texture. Bodaq NS series is the premium line of products that reinterpreted various textures and colors from nature, such as stone, fabric and metal, from a modern perspective. The natural but occasionally classic atmosphere will dramatically change the space you occupy.
